

Hello friends!

I'm Elisa St. Clair, and I worked in parish ministry at Our Lady of Hope from 2004-2018, with Middle and High school Youth Ministry, and lots of other parish ministries and programs. Our family moved away to the Pacific Northwest for three years, but we've happily returned home to Massachusetts. I'm so happy to be back with all of you for this year-- another unique one as we face the challenges of the time-- but our aim is to make this a year of growing in love and relationship with Jesus, and with one another in our online community of faith.

Middle and High School Faith Formation programs will be primarily online again this year, although we'll be watching the numbers, and hope to offer small group gatherings here and there if possible. Middle School will continue to meet on Wednesday evenings, and High School on Sunday nights. **More details, and all of the Zoom links, calendars, and class information for Middle and High School will be found this year at [www.olhyouthministry2021.org](http://www.olhyouthministry2021.org).**

I'm looking forward to seeing your beautiful faces this year as we seek more deeply what it means to be disciples of Christ. God bless!
